Ranks and Insignias

The table below shows ranks according to seniority, with the most senior to the right. OF denotes officers, OR other ranks (as per STANAG 2116). Those ranks were ratified by the supreme commander on October 24, 2008 and became effective as of January 1, 2009.^[3] Military ranks of the US and Great Britain have been used as a base for harmonization with NATO.
